dimensions

100TRi40MTL Linear Drain

All stainless steel drainage unit made to specified length with specified outlet position.

The 100TR is our standard style grate featuring a 3mm/5mm wire gap.

Manufactured from 316 marine grade steel. Also available in 304 grade stainless steel on request.

Please note that our TR grates have a non linished finish.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
