Linear Drain

Modular drainage system with a stainless steel grate and stainless steel channel.
A world first in architectural linear grates, the partnership with Marc Newson has created a new decorative solution for wet areas, incorporating Newson's signature tessellated hexagonal pattern.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.Lengths over 3000mm available on request.

Refer to AS3500 for outlet pipe sizes specific to your installation.
