## Stormtech 130SDi Single Slot Drain: Seamless Drainage for Modern Landscapes

Discrete 10mm opening, for a virtually invisible integration with outdoor surfaces. Suits pavers up to 25mm in thickness.

Achieve a clean, uninterrupted surface while effectively managing water runoff.

Inspection points placed over each outlet, to suit a square floor waste or clear out for easy maintenance.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.

Stainless Steel Flectropolishe

Electroplate finishes subject to natural variation with time and local environment. Factors such as pools/surf beaches may require electropolishing. Contact us for suitability.
