

65MNDDi Threshold Drainage

Product Description

The 65MNDDi features a concealed channel section connecting sill and sub-sill for door tracks and thresholds. It is completed with a MND grate that was created in collaboration with Marc Newson featuring a tessellated hexagonal design.

Allows door sills to be drained while having internal and external floor surfaces with no step down.

Manufactured from 316 marine grade stainless steel to specific lengths.

Applications

- Balcony
- Courtyard / Patio
- Special needs
- Suspended slab
- Wet Area Drainage
